MAJESTIC BEACH RESORT

Designed as a lowrise building, Majestic Beach Resort offers 48 deluxe guest rooms, including 3 superior suites, all with sea view balconies and complete first class conveniences. Majestic Beach Resort seeks to preserve the sense of privacy previously enjoyed by the nobility on this stretch of exclusive beach, just a stone's throw from Klaikangwon Summer Palace. The relatively small number of rooms makes it possible to provide the level of service and care normally associated only with 5-star hotels. Hence our motto "Happy guests... our best reward"

Our Sea Spray restaurant offers delightful Asian and Western cuisine in a beach terrace setting where waves break literally at your feet. And for the early riser, catching the sunrise over a leisurely breakfast on the beach terrace is always an invigorating way to start the day.

Majestic Beach Resort also offers full service conference / seminar for business groups of up to 60 persons, in complete privacy and cosy congenial surroundings with all standard audio and video equipment available.

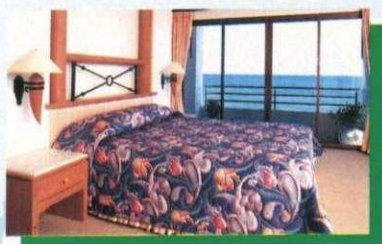

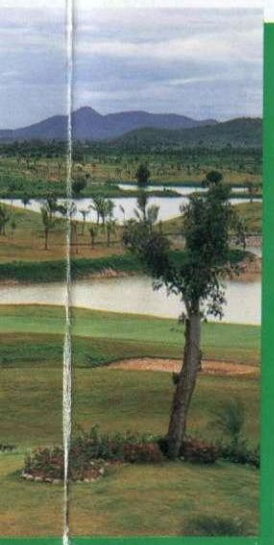

THE MAJESTIC CREEK COUNTRY CLUB

In addition to its fine hotel facilities, Majestic Beach Resort also offers its guests special privileges at its sister inland golf resort at the foothills of the mountain range separating Thailand from Myanmar.

The Majestic Creek does not visually pamper you with manicured landscaped gardens, but greets you with an expanse of naturally rolling contours, with a careless drapery of shrubs interspersed with coconut palms at the edge of vast lakes and occasional rocky creeks snaking between holes. Simplicity was the key word in design. Expansive was the theme. And blending in was the emphasis.

The Majestic Creek is the kind of golf course that can be played at any level. Its 27-hole layout gives you a wide range of challenge and demand on finesse, any combination of which spells enjoyment. Golf clubs and all accessories are available for rent and Majestic Beach Resort guests are accorded discounts on green fees and shuttle bus service is provided at no charge, but advance reservation is always advisable on weekends to avoid disappointment.
